

Attendance procedures Reviewed October 2020

Attendance at Kingswood Park Public School

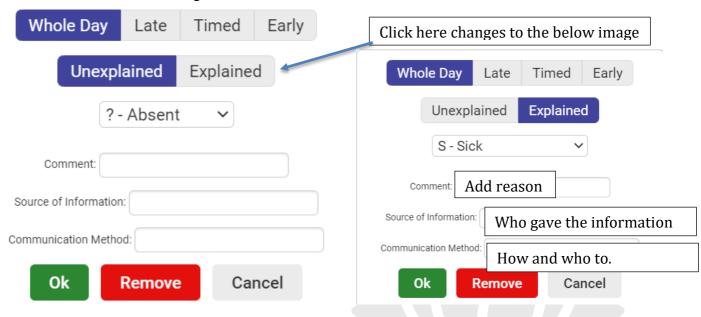

Staff are asked to read the School Attendance Policy

https://education.nsw.gov.au/policy-library/policies/school-attendance-policy

Staff are provided Professional Learning on Staff Development Day regarding attendance procedures and this document is included in the staff induction folder.

Procedures at Kingswood Park for all classroom teachers

- Class rolls are marked at 9:05am and submitted through the SENTRAL system.
- If a child arrives after 9:05am they must proceed to the office for a late note which is given to the class teacher.
- If a child is collected early from school the parent/caregiver speaks with the office and a late notification is created on SENTRAL. The child is asked to come to the office to be collected.
- When a note is provided for an unexplained absence- the note is sent immediately to the office. The office staff make corrections on SENTRAL regarding the absence.
- If a verbal explanation is provided the teacher/staff member is to record this on SENTRAL in attendance. If explained within 7 days; justified absence. Detailed information must be entered against the absence including: who provided the explanation and the date/time, who the information was given too.

- Children who are absent for 2 or more days in a week and haven't supplied a reason need a phone call. The response of this communication is added to SENTRAL. (data collection) If no contact has been possible still complete a SENTRAL Data collection for the call.
- Aboriginal Education Officer targets families across our school and will record information on SENTRAL when contacting parents.
- Office staff send daily SMS for absent students after 10am
- Office staff send home reminder letters regarding absences each week.
- Class teachers have a plastic folder for late passes. This is sent to the office each Friday for archiving.
- Attendance Supervisor email staff each week of attendance data- highlighting students of concern.

Whole School approach

- 100% of attendance each term presented merit award (class teacher)
- 100% attendance semester presented recognition award (Attendance Supervisor)
- Walking School bus
- Weekly email from Attendance Supervisor to all staff informing attendance data
